AGRICULTURAL ADJUSTMENT ADMINISTRATION

WASHINGTON, D. C.

(General Sirup Quota Regulations, Series 1, No. 1)

## 1936 QUOTAS FOR SIRUPS AND SUGAR MIXTURES

UNITED STATES DEPARTMENT OF AGRICULTURE,

OFFICE OF THE SECRETARY.

By virtue of the authority vested in the Secretary of Agriculture by Public Resolution No. 109, 74th Congress, approved June 19, 1936, and by the Agricultural Adjustment Act, approved May 12, 1933, (hereinafter referred to as the "act"), as amended, I, W. R. GREGG, Acting Secretary of Agriculture, in order to regulate commerce with Cuba and other foreign countries, among the several States, with the Territories and possessions of the United States, and the Commonwealth of the Philippine Islands, with respect to sugar, having due regard for the welfare of domestic producers and to the protection of domestic consumers and to a just relation between the prices received by domestic producers and the prices paid by domestic consumers, do hereby make, prescribe, publish and give public notice of these regulations, which shall have the force and effect of law and shall remain in force and effect until amended or superseded by regulations hereafter made by the Secretary of Agriculture.

## I

1. It is hereby determined, pursuant to the provisions of section 8a(1)(D) of the said act and the said Public Resolution No. 109, that the quantities of sirups and sugar mixtures which may be imported into the continental United States for consumption therein from foreign countries during the calendar year 1936 for use as such and not for the extraction of sugar shall be 8,784,715 wine gallons, allotted as follows:

Area:	<i>In terms of wine gallons of 72% total sugar content</i>
Cuba.....	7,937,453
Dominican Republic.....	830,894
Great Britain.....	16,368
Other foreign countries.....	0

## II

1. For the calendar year 1936, processors, persons engaged in the handling of sirups or sugar mixtures, and others, are hereby forbidden, pursuant to the provisions of the said act and the said Public Resolution No. 109, from importing into the continental United States for consumption therein and/or from transporting to, or receiving in, the continental United States for consumption therein any sirups or sugar mixtures for use as such and not for

the extraction of sugar from the areas listed in section I hereof in excess of the respective quotas established in the said section I for such areas.

### III

The term "sirups and sugar mixtures" for the purpose of this regulation means any sugars which are principally not of crystalline structure, imported into the continental United States for consumption therein, which contain soluble non-sugar solids (excluding any foreign substances that may have been added) of less than 6% of the total soluble solids, or which are to be or shall be used for the production of any class or type of sugar, sugar mixtures, or sirup which contains soluble non-sugar solids (excluding any foreign substances that may have been added) of less than 6% of the total soluble solids.

### IV

The provisions of this regulation shall not apply to sirups and sugar mixtures imported for use as livestock feed or for distillation.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the official seal of the Department of Agriculture to be affixed in the city of Washington, District of Columbia, this 3rd day of September 1936.
